Sri from KYPIPE would be a technical contact point. I found his contact from KYPIPE.com

Dr. Srinivasa Lingireddy  
513-258-0469  
[srini@kypipe.com](mailto:srini@kypipe.com)

They still maintains their business based on the talk with Lindell during the WDSA. However, I am not sure how much they are interested in participation since they are not so active nowadays. At least, it would be good for us to reach them for the meeting.

Thanks,

-Hyoung

Thanks, I will add the GUI to the later section of the agenda.

Hi Regan,

The agenda looks good to me with clear purpose and objectives. I just put my two cents on the agenda. In short, we may want to have a version number for GUI to differentiate the current version (e.g., old vs new, 2.00.12 vs 2.00.12a, epanet2 2000 vs epanet2 2018). Two, KYPIPE folks may/may not want to participate in. Please see the attachment.

Thank you.

**Subject:** EPANET Stakeholder Meeting

Hi All:

Sorry I missed the EPANET team meeting last week – sounds like it was productive.

Please see a draft agenda for the stakeholder meeting we are planning. Please send me any edits by COB tomorrow (let me know if you need more time).

Also, I am trying to select a date for this meeting. It looks like everyone is available these dates, but let me know if these time slots don't work for some reason:

Tues Oct 2 1-4 PM  
Wed Oct 3 2:30-4 PM  
Thurs Oct 4 9-12 AM

Wed Oct 10 1-5 PM  
Fri Oct 12 anytime  
Mon Oct 15 2-4 PM  
Tues Oct 16 1-5 PM

Next, I'll run these dates by Jim & Sam, Tom Walski, Feng Shang and any other key players that we want to make sure can be there.

Thanks so much!  
Regan
